Publications

(all publications are single-authored unless otherwise indicated)

Books

- Contract Forthcoming *Magical Citizenship: Self and Social Obligation in American Schools*.
- three-part investigation of schooling, citizenship, and social obligation in the United States, tracing the intellectual origins of magical citizenship, its historical development in American schooling, and, via ethnographic fieldwork and interviews in two high schools each in New York City, San Diego, and Charlotte, NC, how it affects understandings of good schools, good teachers, and good students.
 - Anticipated publication in 2024; contract forthcoming at Columbia University Press.
- Under Contract *Against Achievement: What Meritocracy Misses About Schools*.
- theory book about how the academic study of schools can privilege outcomes over experiences, thereby inadvertently reifying a meritocratic regime and the idea that problems of socio-economic inequality are ultimately problems of education.
 - Anticipated publication by Columbia University Press: 2023.
- 2021 *Agents of God: Boundaries and Authority in Muslim and Christian Schools*. Oxford University Press.
- Author Meets Critics Session at Social Science History Association, Fall 2021
