

JOSELYNE QUIROZ

Los Angeles, CA | joselynequiroz24@gmail.com

EDUCATION

2022 - University of Chicago

Master of Arts - Social Sciences

2020 - University of California, Davis

Bachelor of Arts - Sociology

EMPLOYMENT HISTORY

J.P. Morgan & Chase Co. – Technical User Researcher

August 2022- February 2023

Working within the Consumer and Community Banking branch as part of the Data Consumption team. My primary focus is in understanding technical users' needs to ensure that the products that data scientists and engineers work with are intuitive, effective, and enjoyable to use.

University of Chicago – Graduate Teaching Assistant

March 2022- June 2022

Served as primary support for Dr. John Kelly of the anthropology department, assisting with tasks such as grading, meeting and tutoring undergraduate students, and managing other teaching assistants for the course.

NORC at the University of Chicago – Graduate Research Assistant II

September 2021- December 2021

Worked under the supervision of Dr. Rachel Feldman as part of the Illinois Equity Attainment Initiative (ILEA) research team assisting with research tasks like interviewing, participant observation, and qualitative coding.

UC Davis Department of Sociology – Research Assistant

June 2020-September 2020

Worked under the supervision of Dr. Laura Grindstaff, assisted with research tasks like qualitative coding, compiling literature reviews, and created a web scraping program in Python to extract data from social media sites.

RESEARCH EXPERIENCE

Master's Thesis – Principal Investigator

September 2021-May 2022

“Life Wasn't Supposed to be This Way: Involuntary Celibate Men and the Impact of Prolonged Gender Failure”

Undergraduate Honors Thesis – Principal Investigator

September 2019-June 2020

“Broken Promises and Misplaced Anger: The Emergence of Aggrieved Masculinity Among Young Men Online”

UC Davis Department of Sociology – Research Assistant

January 2019-June 2019

Baker, Zeke and Stephen Fick. “A Political Ecology of Climbing in Indian Creek, Utah”

September 2018-March 2019

Baker, Zeke, Julia Ekstrom and Louise Bedsworth. 2018. “Climate Information? Embedding Climate Futures within Temporalities of California Water Management.” *Environmental Sociology* 4(4): 419-433.
